All students will continue to use the same Chromebook already assigned. (Students new to the district will receive a Chromebook during enrollment). All students and parents must complete an electronic "Chromebook Loan Agreement" form every school year. This form will be located in your online "etrieve" account, along with other back-to-school online forms. Your etrieve account is also where you will complete your residency verification. A Chromebook Protection Plan (insurance) is available to all students. Information will be emailed to parents and students in July.
