Arkansas State Accountability Report

(Complete report card: <http://myschoolinfo.arkansas.gov>)

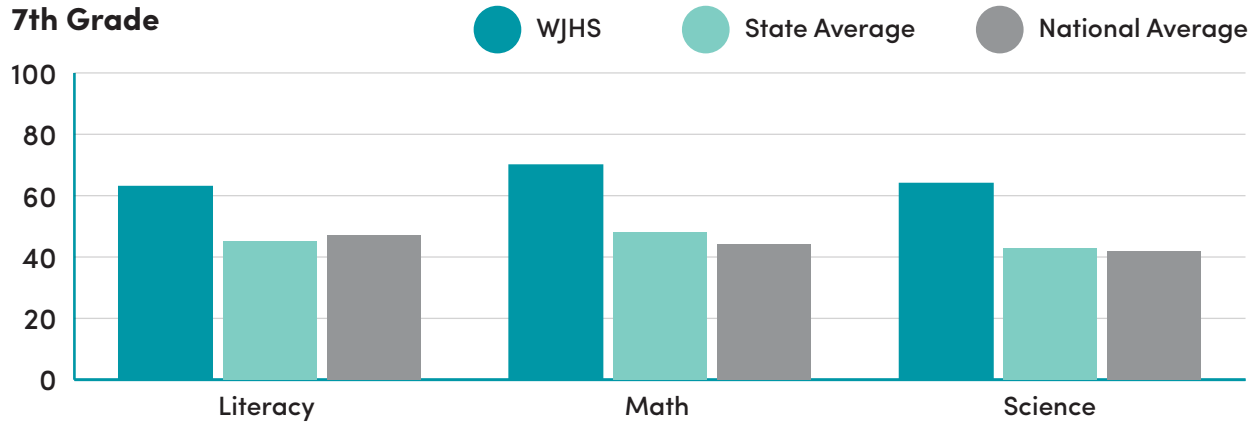

The state accountability system reports student achievement and improvement on standardized tests and other indicators from year to year. The indicators represented below are based on the 2017-18 school year.

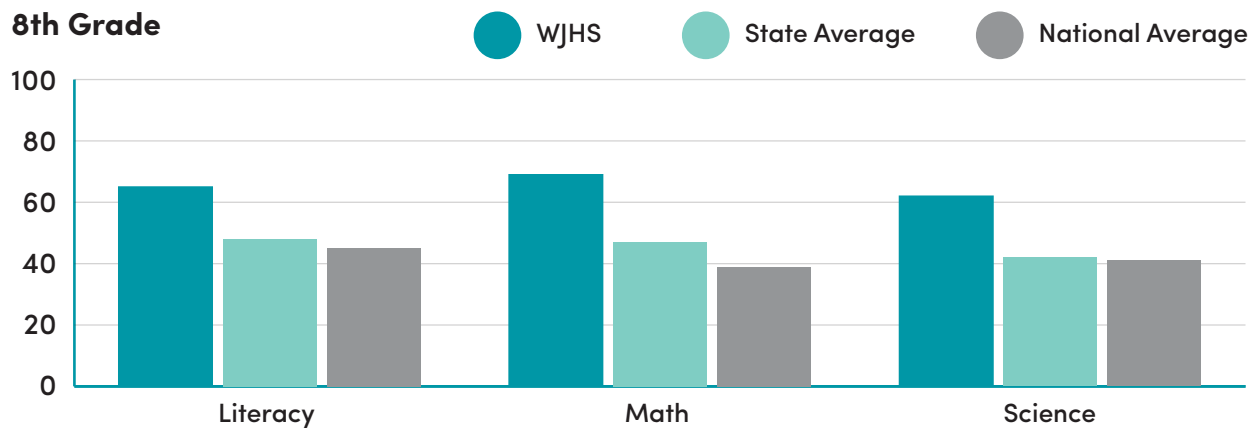

ACT Aspire 2018

ACT Aspire maps learner progress from grades three through 10th grade on a vertical scale, connecting each grade level to the next, anchored to the scoring system of the ACT. This assessment provides summative information for english, math, reading, science, and writing at the conclusion of the school year. The ACT Aspire test produces a snapshot that can be compared year over year.

Measures of Academic Progress (MAP)

The percentages shown represent the percent of students achieving at or above the national average

MAP measures student growth in math and literacy. This nationally-normed, adaptive assessment, given three times a year to BPS students, provides individualized performance data on student growth and achievement. The percentages shown represent the performance of students in the spring 2017 administration.
