

Bentonville Schools Literacy

Resource for Accessible Online/Distance Learning

Dear Parents,

Bentonville Schools provides a digital accessibility literacy support called [Read&Write for Google Chrome](#), a toolbar with over 20 tools that helps students read, write, and study independently.

It looks like this:

- Watch [this short video](#) to learn how **Read&Write** works.
- **Read&Write** has already been added to your student's Chrome account by our district. Once they log into their account, they should see a purple puzzle piece at the top of the webpage (extensions bar) that looks like this:
 - Click on the purple puzzle piece icon to open the toolbar. →
 - If you do not see the icon, [click here for directions to sign in to Chrome or to add the extension to your student account.](#)

Read&Write for Remote Learning

Click on this video link to learn about [Using Read&Write for Remote Learning](#)

Here are some easy ways your learners can benefit from **Read&Write**.

- Click on the short video links to learn how students can use the tools to learn independently.

Reading	Writing	Study/Research
Read text aloud Talking & picture dictionaries Translator (for ELL students)	Speech input (dictation) Word prediction Check your writing Listen to your writing	Simplify webpages Research tool Learn vocabulary words
