August 10th, 2020

Greetings,

Welcome to Grimsley Junior High School! As the inaugural class of GJHS, we are so excited to welcome you into the building or join us virtually. It is a beautiful facility with amazing learning opportunities for you. As we approach this first day of school (August 24th), it is important to keep in mind school will look a little different than in previous years.

We know many of you have questions about how the current pandemic will affect your student's school day. For the most up-to-date information:

- See the [COVID information](#) from the district's website.
- Review the latest [Grimsley COVID Procedures](#).
- Below are some precautions we will be taking at Grimsley this school year:
 - At this time, we are not allowing any uninvited visitors to the building.
 - Students and staff will be required to wear a mask when social distancing cannot be maintained.
 - Staff will be cleaning desks and chairs between class periods.
 - We will have procedures in place for before school, lunch time, and dismissal that promote social distancing.

See the supply list at the following link: [supply list](#). Please note the following about school supplies:

- Your student is **not** required to purchase a PE uniform. For physical education (not athletic courses), students will not be required to dress out in order to limit the amount of students in the locker rooms. **This is subject to change as we get more guidance from the state department of education.*
- Your student is required to bring a clear water bottle with the student's name clearly written on it.
- Your student should also have plenty of masks.

In an effort to familiarize people with the building, a [Grimsley 101 Informational Video](#) can be viewed. This video will inform you of all the things you and your student will need to know to be successful at Grimsley this year. Simply view the slideshow in "present" mode to hear the

We inspire. We empower. We succeed.
